Camille's PLASTIC SURGERY SECRETS

Nose & Lips

Dr. Steven J. Pearlman tells *Star*, "She appears to have had rhinoplasty. The tip of her nose is thinner. Her lips are also fuller."

EXCLUSIVE PHOTOS!

OBVIOUSLY, I've had a breast augmentation and Botox absolutely, just a crockful of Botox," **Camille Grammer** has confessed.

But *Star* can exclusively reveal that that's not all she's had done. The 42-year-old reality star and former *Playboy* model has been under the knife more times than she's willing to admit — and we found her high school yearbook photos to prove it! ★

Boobs

Camille's chest was not always so voluptuous. "Camille looks like she went from a B cup to a DD cup," Dr. Norman M. Rowe tells *Star*.
